

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation and unlawful use of the public airwaves!

I am outraged, as a tax paying American Citizen that this media outlet will be using its stations to broadcast a blatantly partisan political diatribe that is not news! The issue of the Viet Nam War has been more than adequately presented in the partisan funded ads of the swiftboat vets. The FCC seems more concerned about an exposed breast than the threat to a fair election posed by this scheduled broadcast.

I am outraged!!
